A MAN
DEEP

FESTIVAL & BOUTIQUE UNDERGROUND PERFORMER

FOUNDER AT SECRET SOCIETY NZ

BASED IN AOTEAROA , TOURING AUS/NZ

ABOUT THE ARTIST

A Man Deep is an underground artist originally from India and now based in Aotearoa. Influenced by his cultural heritage and the transformative festival landscapes of New Zealand, he bridges Eastern textures with the intensity of bush progressive and melodic techno.

MUSIC IS ABOUT

Operating across dark progressive, bush prog, and melodic techno, A Man Deep crafts immersive journeys built on driving basslines, tribal rhythms, and hypnotic flow. Eastern textures and organic elements subtly enrich his sound, adding atmosphere without disrupting intensity.

His performances are structured as slow-burning progressions designed for late-night dance floors where tension, depth, and momentum take priority over quick drops.
